

■ Knowledge Institute of Technology

Salem, Tamil Nadu – 637504

Frequently Asked Questions — Admissions & Campus Life

1. About the Institution

Q. What is Knowledge Institute of Technology (KIOT)?

A. KIOT is a private autonomous engineering institution established in 2009 by the KIOT Trust, located at NH544, Kakapalayam, Salem, Tamil Nadu – 637504. It is affiliated with Anna University, Chennai, and approved by AICTE and UGC. The institute is accredited with an 'A' grade by NAAC and NBA for select programs.

Q. What is the official website and contact of KIOT?

A. Official Website: www.kiot.ac.in | Address: KIOT Campus, NH544, Kakapalayam, Salem, TN – 637504. For admission inquiries, visit the official website or contact the admission office directly.

Q. Is KIOT an autonomous institution?

A. Yes. KIOT is an autonomous institution affiliated with Anna University. Being autonomous, it designs its own syllabus and conducts its own examinations, while the degree is awarded by Anna University.

Q. What awards and recognitions has KIOT received?

A. KIOT has received multiple recognitions including: 'Best Upcoming Engineering College' in Tamil Nadu by SEED, 'Best Performing Institution for Innovation of Engineering & Technology' by the Recruitment Analysis Council, 'Best Principal of the Year Award' from CSI TechNext India 2024, and the Profound Educator to Philanthropist Award – E-Box Award 2025.

2. Courses Offered

Q. What undergraduate (UG) courses are offered at KIOT?

A. KIOT offers Bachelor of Engineering (B.E.) and Bachelor of Technology (B.Tech) programs in various specializations including: Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), Mechanical Engineering, Civil Engineering, Electrical and Electronics Engineering (EEE), Computer and Communication Engineering, Computer Science and Business Systems, and more — totaling over 27 diverse courses across engineering and management disciplines.

Q. What postgraduate (PG) courses are available?

A. KIOT offers Master of Engineering (M.E.) programs in specializations such as: Industrial Safety Engineering, VLSI Design, Computer Science and Engineering, and Embedded System Technologies. It also offers a Master of Business Administration (MBA) with specializations in Finance, Marketing, Human Resource, Operations, Business Analytics, and Innovation, Entrepreneurship & Venture Development (IEV).

Q. Does KIOT offer doctoral programs?

A. Yes, KIOT offers Ph.D. (Part-Time) programs. Candidates must hold a Master's degree in the relevant or allied discipline with a minimum aggregate of 50% marks. Selection is based on an Entrance Test followed by an Interview.

Q. Does KIOT accept international candidates?

A. Yes, KIOT accepts applications from international candidates for UG, PG, Diploma, and Certificate courses.

3. Admission Process

Q. How does admission to B.E./B.Tech work at KIOT?

A. Admission to B.E./B.Tech programs is based on TNEA (Tamil Nadu Engineering Admissions) counselling conducted by Anna University. Candidates are ranked based on their 10+2 marks in Physics, Chemistry, and Mathematics. There is no separate entrance exam; the entire process is merit-based through TNEA.

Q. Where do I apply for TNEA counselling?

A. Candidates must apply on the official TNEA website (www.tneaonline.org). After registering, options are filled and seats are allotted based on merit rank. KIOT seats are available under the TNEA counselling process.

Q. How does admission to M.E. programs work?

A. M.E. admissions are based on TANCA (Tamil Nadu Common Admissions) counselling conducted by Anna University, using GATE / TANCET scores. Candidates must have a B.E./B.Tech in the relevant discipline with a minimum of 50% marks from a recognized university.

Q. How is MBA admission done?

A. MBA admission at KIOT is based on TANCET scores. Candidates must have completed a Bachelor's degree (Graduation) with a minimum of 50% aggregate marks. Direct admission without TANCET is not permitted. The TANCET 2024 cutoff for MBA (OC category) was 3267. Currently, MBA admissions are open for 2025.

Q. Is there a management quota for admission?

A. Yes, a certain percentage of seats are allocated under the management quota. Interested candidates can contact the KIOT admission office directly for details on the management quota process and fees.

Q. What is the step-by-step admission process?

A. Step 1 – Register online at the official KIOT website (kiot.ac.in) or via the respective counselling portal (TNEA / TANCA). Step 2 – Fill in preferences and upload required documents. Step 3 – Attend counselling and submit the filled application form along with the fee to Anna University or the college. Step 4 – Merit list is prepared and seats are allotted. Step 5 – Report to the institution with original documents.

4. Eligibility Criteria

Q. What is the eligibility for B.E./B.Tech admission?

A. Candidates must have passed 10+2 (Class 12) with Physics, Chemistry, and Mathematics as core subjects from a recognized board. A minimum aggregate of 45% marks is required (40% for reserved category candidates). Admission is entirely through TNEA counselling.

Q. What is the eligibility for M.E. admission?

A. Candidates must have passed B.E./B.Tech in the relevant discipline with a minimum of 50% marks from a recognized university. Selection is based on TANCA counselling using GATE or TANCET scores.

Q. What is the eligibility for Ph.D. admission?

A. Candidates must hold a Master's degree in the relevant or allied discipline with a minimum aggregate of 50% marks from a recognized university. Selection is through an Entrance Test followed by an Interview.

5. Cutoff Ranks & Fees

Q. What is the TNEA cutoff rank for KIOT?

A. The overall TNEA cutoff rank for the General Merit (OC) category at KIOT ranges between 20,053 and 26,469 (based on 2024 data). Cutoff ranks vary by branch — popular branches like CSE tend to have lower (more competitive) cutoffs.

Q. What is the TANCET cutoff for MBA?

A. The TANCET 2024 cutoff mark for MBA at KIOT for the OC (General) category was 3267. Cutoff marks for reserved categories are lower. Check the official KIOT website for the latest 2025 cutoffs once released.

Q. What are the tuition fees at KIOT?

A. For B.E./B.Tech (4-year UG course), the total tuition fee is approximately INR 2,20,000 (Two Lakhs Twenty Thousand). For M.E. (PG course), the total fee is approximately INR 60,000. MBA admission fee is around INR 41,000. These fees are considered affordable compared to other private engineering colleges in Tamil Nadu.

6. Scholarships & Financial Aid

Q. What scholarships does KIOT offer?

A. KIOT provides up to 100% scholarships to eligible students. Scholarships available include: Tamil Nadu Government First Graduate Scholarship, Tamil Nadu Government MBC and BC Scholarship, Tamil Nadu Government Farmer Scholarship, National Scholarship, AICTE Tuition Fee Waiver by KIOT Trust, Economical Backward Scholarship (EBW) by KIOT Trust, Scholarship for Outstanding Sports Persons, Talent Reward Examination (TRE) based scholarship for Lateral Entry B.E. students, Fee Concession for Placement Eligible Students by KIOT Management, and Transport Fee Concession for Placement Eligible final year B.E. students.

Q. Are merit-based scholarships available?

A. Yes. KIOT provides Merit-Based Scholarships for candidates based on merit scores in National and State Level competitive exams as well as College Level Tests. Scholarships are also awarded for academic excellence and extracurricular achievements.

7. Placements & Career Support

Q. How are the placement opportunities at KIOT?

A. KIOT has a strong placement record consistently exceeding 90% annually. In the 2024 placement drive, 126 recruiters participated and offered over 550 job opportunities. In 2025, placements reached 90%+ with over 850 offers. The dedicated placement cell provides training in resume building, interview preparation, communication skills, and group discussions through mock sessions.

Q. What are the salary packages offered?

A. In 2024, the highest package was INR 12.50 LPA and the average package was INR 4 LPA. In 2025, the highest package rose to INR 18.50 LPA with an average of INR 4.10 LPA and a minimum of INR 3 LPA.

Q. Which companies recruit from KIOT?

A. Top recruiters include: Zoho, TCS, Infosys, Cognizant, Wipro, HCL, Tech Mahindra, Expleo, Hexaware, ITC Infotech, Rapl, Codingmart, Flipkart, Vodafone Idea, HDFC Ergo Insurance, Virtusa, Tessolve Semiconductors, Aspire Systems, and many more. Most companies expect a minimum of 60% in 10th, 12th, and UG degree.

8. Campus Facilities

Q. What facilities are available at the KIOT campus?

A. KIOT's 20-acre campus offers modern, well-structured infrastructure including: academic buildings with ICT-enabled smart classrooms, a central library with 50,000+ resources (books, journals, e-journals, online databases, digital library), well-equipped science and engineering labs, AICTE-approved IDEA Lab and innovation centers, food court / canteen, ATM, medical centre, departmental store, gym, playground, sports facilities (outdoor and indoor), and Media Centre / Internet & Computing facilities.

Q. Are hostels available at KIOT?

A. Yes. KIOT provides separate, well-furnished hostels for boys and girls. Hostel amenities include Wi-Fi connectivity, mess / dining facilities, and 24/7 security. The campus environment is described as lively and friendly, with all festivals celebrated to make students feel at home.

Q. Is transport facility available?

A. Yes. KIOT operates bus services for students and faculty covering an 80 km radius across Salem, Namakkal, Dharmapuri, and Erode districts. A transport fee concession is also available for placement-eligible final year students.

Q. What extracurricular and club activities are available?

A. KIOT organizes annual fests, tech fests, and cultural events. Students can participate in activities like dance, singing, art, literature, anchoring, event management, modelling, and drama. Sports meets, hackathons, and startup incubators are also part of campus life. The college has clubs and interest groups to help students groom their personality and learn beyond academics.

Q. Does KIOT support internships and research projects?

A. Yes. KIOT offers comprehensive support for internships and research projects, facilitating practical learning and innovation. The institute has industry partnerships with companies like Virtusa, IAPMO-India (for HVAC), Harita Techserv Pvt. Ltd., and others. There is also an AICTE-approved IDEA Lab and startup incubator on campus.
